PROFESSIONAL SUMMARY

Instructional Designer and eLearning Developer with 3 years of corporate experience and 100+ Articulate Storyline 360 modules delivered for international clients. Owns modules end to end through the ADDIE model, from storyboard to LMS-ready SCORM and xAPI packages. Pairs advanced Storyline development with a strong visual design background: 8 years in Adobe Photoshop and 5 years as a cartoonist. Course and design samples are available in the portfolio linked above.

SKILLS

- **Instructional Design:** ADDIE model, storyboarding, concept boarding, eLearning design, Learning Management System (LMS) content, quality assurance (QA)
- **eLearning Development:** Articulate Storyline 360 (triggers, variables, JavaScript/GSAP), Articulate Rise 360, SCORM and xAPI packaging, LMS testing (completion, scoring, bookmarking, reporting)
- **Visual Design:** Adobe Photoshop, Adobe Illustrator, layout design, graphic design, character illustration, Canva, Figma (basic)
- **AI and Development:** AI prompting (ChatGPT, Claude, Gemini), AI voice-over production, AI-assisted coding (Claude Code, Google Antigravity), HTML, CSS, JavaScript, Python (basic)

WORK EXPERIENCE

Instructional & UX Designer, Main Developers Team

Capytech BPO Solutions Inc. | Zamboanga City, Philippines | July 2023 – September 2026

- Designed and developed 100+ eLearning modules in Articulate Storyline 360 for international clients in luxury retail, travel, military defense, banking, manufacturing, and IT security.
- Owned modules end to end through ADDIE, turning client branding and learning goals into custom courses.
- Built complex interactions with trigger logic, cross-module variable libraries, and JavaScript/GSAP animation.
- Packaged and tested SCORM and xAPI courses in live LMS environments, verifying completion, scoring, bookmarking, and reporting.
- Led design and development on multiple high-stakes projects when senior staff were unavailable.
- Took over in-progress projects and delivered them on time with no drop in quality.
- Mentored probationary and junior designers on feedback analysis and resource handling.

Freelance Illustrator

Self-employed | 2021 – 2022

- Created character illustrations and redesigns in Adobe Photoshop for private clients.
- Refined clients' existing character concepts through feedback rounds into polished final artwork.

ADDITIONAL EXPERIENCE

Cartoonist

College Journalism Organization | Western Mindanao State University

- Created cartoons for magazines, newsletters, and the Creative Portfolio art book across 5 years.
- Worked within the publication's print layout workflow, including Adobe InDesign.

EDUCATION

Bachelor of Science in Mechanical Engineering

Western Mindanao State University | Zamboanga City, Philippines | 2018 – 2023

AWARDS AND RECOGNITION

- Employee of the Month, Capytech BPO Solutions Inc., February 2025
- Commended by clients for creative, brand-aligned module designs
